### TETRA4 STRIKES LNG DEAL WITH BLACK KNIGHT GROUP

Renergen Limited ("Renergen"), an integrated alternative and renewable energy business listed on the JSE's Alt-X, today announced that its subsidiary Tetra4 (Pty) Ltd, has secured an agreement with Black Knight Group for the supply of Liquefied Natural Gas (LNG). The transaction will fuel approximately one hundred trucks; significantly reducing carbon emissions and operator costs and improving vehicle lifecycle maintenance.

Says Stefano Marani, Renergen CEO, ***"Tetra4 is proud to be associated with Black Knight as they embark on their new venture to disrupt the local logistics market using cutting-edge technology and international best practice."***

***"The use of alternative fuels by suppliers continues to take centre stage, providing cleaner and safer solution for businesses as well as the environment,"*** comments Black Knight Oil CEO, Jacques D'ymant. ***"Through our partnership with Tetra4, we can now ensure that these ongoing benefits – including cost savings - are passed on to our clients."***

Black Knight Group has 20 years' experience in the fuel industry has been distributing fuel products across South Africa and the wider SADC region. In recent years Black Knight Group has developed a logistics division aimed at providing holistic fuel solutions for clients.

Tetra4, a vertically integrated gas producer, holds the first and (currently) only onshore petroleum production license issued by the Department of Mineral Resources ("DMR") through the Petroleum Agency of South Africa ("PASA").
