RESUMPTION OF PIPELINE CONSTRUCTION

Emerging domestic natural gas and helium producer Renergen is pleased to announce that EPCM Bonisana has notified the Company of its intention to remobilise on Monday, 1 June 2020 for the recommencement of construction of the pipeline.

“This is a great result, not only for Renergen but also for the number of people locally that will be employed in due course particularly in light of the massive negative consequences COVID-19 has had on many people’s livelihoods,” said CEO Stefano Marani.
