CHANGE IN SUBSTANTIAL SHAREHOLDINGS

Reenergy is pleased to announce Mr Ye Jia as the Company’s newest substantial shareholder, following his acquisition of the entire shareholding from Notable Pioneer. The disposal and acquisition is part of a strategic restructuring of the Ye family’s entire investment portfolio wherein Notable Pioneer, solely owned by Mr Ye Hui, has transferred 100% of its holding directly to another family member.

“We have been following Reenergy’s progress and can confirm that despite the current share price performance, we are pleased with the results achieved by the Company especially considering the highly technical and complex operating environment. We continue to share the long-term strategic vision of management through the Phase 2 expansion of the Virginia Gas Project. This first investment marks my intention to remain a long-term shareholder, and in time, I will consider increasing my stake as the Company further progresses its strategy,” said Mr Ye Jia.

In accordance with the Deed of Undertaking entered into between the Company and ASX, and section 122(3)(b) of the Companies Act, No. 71 of 2008, as amended (“**Companies Act**”), and paragraph 3.83(b) of the JSE Limited Listings Requirements, shareholders are hereby advised that the Company has received formal notification in the prescribed form from Mr Ye Jia, advising that he has acquired a beneficial interest in securities of the Company, such that the total of all beneficial interests held by him amounts to 5.69% of the Company’s total issued ordinary share capital. In addition, the Company received formal notification in the prescribed form from Notable Pioneer Limited, advising that it has disposed of all of its beneficial interest in securities of the Company.

The requisite notices in terms of section 122(3)(a) of the Companies Act have been filed with the Takeover Regulation Panel. The board of the Company accepts responsibility for the information contained in this announcement and confirms that, to the best of its knowledge and belief, such information accurately reflects the information contained in the TRP 121.1 forms received by the Company from Notable Pioneer Limited and Mr Jia.
